Report on-
**Extension Programme in Batgaon High
School**

A group of students from the Department of Hindi, BBK College organized an extension activity at Batgaon Anchalik High School (UDISE Code: 18050507205) on 22nd of May, 2023. The aim of the activity was to engage with high school students and share their knowledge and skills in a variety of subjects. The activity was a great success and was well-received by the high school students.

The programme started with an introduction session where the head teacher introduced the participating students from the department of Hindi. The students conducted a series of interactive sessions on a variety of topics, including environmental awareness, gender issues, cleanliness, health and hygiene, etc.
The students conducted a session on environmental awareness, where they discussed the importance of protecting the environment and the impact of human activities on the planet. They also shared tips on how to reduce, reuse, and recycle. The students of class XI and X performed dance and sang songs. They also performed a skit on the theme "Pollution".

The extension activity had a positive impact on both the students of BBK College and the high school students. The students of BBK College gained valuable experience in organizing such activities, while the high school students learned new skills and gained knowledge in various subjects. The activity also helped to bridge the gap between degree college and high school students and fostered a sense of community.
It is recommended that such activities be conducted regularly to promote knowledge sharing, skill development, and community engagement.
